**SATURDAY JULY 23RD 2022**

## MYTHIC AMERICAS' BATTLE FOR CONESTOGA MEGA BATTLE.

Friday-Saturday July 22<sup>nd</sup> and 23<sup>rd</sup> 2022, Noon to close. Running from Noon to 5 PM.

Have you ever wanted to run into battle alongside wolves? Or tread defiantly behind monsters of legend under a verdant jungle roof? Or maybe command a horde of undead bound to your will...

Well here comes your chance!

The **Mythic Americas Team** will be at **Historicon** with lots of Mythic Americas hotness and we'll be hosting an **Inter-active Mega Event!** Tables will be set up with Studio terrain and there will be plenty of Studio minis for participants to use.

All five warbands will be represented. All four from the original rule book plus the much anticipated **Inuit! *Participants get to battle for objectives and win prizes!***

The event will be ongoing so whenever you get to the hall you can jump in and play!

New to Mythic Americas? Great! Studio staff will be on hand to help you out.

**What to bring.** Already started your Mythic Americas Warband? Great! Bring your own minis to use as well or try some of the warbands provided by Mythicos Minis at the event.

**Prizes.** This will be a scenarios based game (as scenarios are key to the Mythic Americas game). Under some (or maybe all) scenario objective markers maybe a prize for the player who controls that objective at the end of a game turn!
